Outcomes

- For many student mothers, Higher Education is an opportunity that was not available to them when they were younger, and many are very positive about the overall HE experience. For example, they are more likely than other female students to think that their course helped them in self-confidence and spoken communication.
- Mothers' reasons for going to college and extrinsic motivation as a student contributed to the prediction of their children's mastery orientation and academic self-efficacy above and beyond the contributions made by mothers' parenting attitudes.

Republic Day Report

26-January-2024

On the occasion of the Republic Day of India, Cultural Activities Committee celebrated a national day on 26th January 2024 at Popatrao Kisanrao Thorat College Khutbav. At this glorious event welcomed students and guests namely the Vice-president of Bhairavnath Sikshan Mandal Hon. Bhausaheb Dhamdhere, Joint-Secretary Hon. Suryakant Khaire, and Director Hon. Arun Thorat glorified the memories of our freedom fighters. Before that the national flag was unfurled by the guest of honor Mrs. Gita Shitole which was followed by the national song.

Mr. Bhausaheb Dhamdhere in his Presidential address said that this is the day on which the Constitution of India came into effect on 26th January of 1950. This replaced the Government of India Act 1935 as the governing document of India, thus turning the nation into a republic separate from British Raj. 26 January was chosen as the date for Republic Day as it was on that day in 1930 when the Declaration of Indian Independence was proclaimed by the Indian National Congress.

In concluding session Principal Dr. Rekha Pawar glorified the memories by saying, shortly after independence was declared, a constituent assembly elected by provincial assemblies went about drafting a constitution that would govern the newly independent nation. After more than two years, the constitution of India was completed and solidified the establishment of India's independent democratic government. January 26 was chosen as the official enactment date as a nod to the Purna Swaraj declaration of independence by the Indian National Congress in 1930 considered the first concrete step toward independence from Britain. Students of our college presented a short act on Ramayan theme.
