## 4.2 - Library as a Learning Resource

### 4.2.1 - Library is automated using Integrated Library Management System (ILMS)

The college library is a knowledge hub of the college. The prominent features of the library are well established library, WIFI connection easy accessibility to the students and faculties, digitized services, book bank facilities. There are 6 computers, 1 camera, 1 printer and 1 A.C in library.

#### Library Orientation Program:

The librarians conduct the orientation program for the newly admitted students for familiarizing the students to the services offered to them.

#### Book Bank Facility:

The library provides the 'Book Bank Facility' to the enrolled students every semester. The books are given to the students for their academic enrichment for the whole semester.

#### Question Banks of University Examinations:

The library has good collection of the university papers of the previous years.

#### The Library Management Software;

College has purchased the Vruddhi software. VRUDDHI Software is loaded with some important library functions like Book Accession, Periodicals. After accessioning the books, periodicals and disks are ready for circulation. Daily, monthly, yearly reports generated and extracted item wise. Member wise report generated. Stock Verification is done by using this Software.
