5.3.2 Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/students representation on various bodies as per established processes and norms)

We have inducted students in various committees to improve their skills and to understand the process of these administrative bodies as follows:

- 1) College Development Committee (CDC): CDC is administrative committee formed in the college to approve and to sanction various academic, administrative and financial concerns.
- 2) Library Development Committee: The Committee is headed by the Principal and the Librarian is Member Secretary. Student members also contribute to the overall development of library by giving constructive suggestions.
- 3) Internal Quality Assurance Cell (IQAC): Student members attend the meetings and take active part in the deliberations.
- 4) Women Development Cell (WDC): Student members participate and help in organizing various programs under the committee.

Other than these, there are numerous committees have been formed in the institution as per established processes and norms such as Board of Student Development, Employment Guidance and Placement Cell, Internal Compliance Committee, Competitive Exams Cell, NSS, etc. having students' representation on them. The institution also provides platform for the students in various programs by offering various roles to students such as moderator, welcome address, guest introduction, vote of thanks, etc. Class Representatives (CR) are also elected among the students from each class.
