VRIKSHA ROPAN

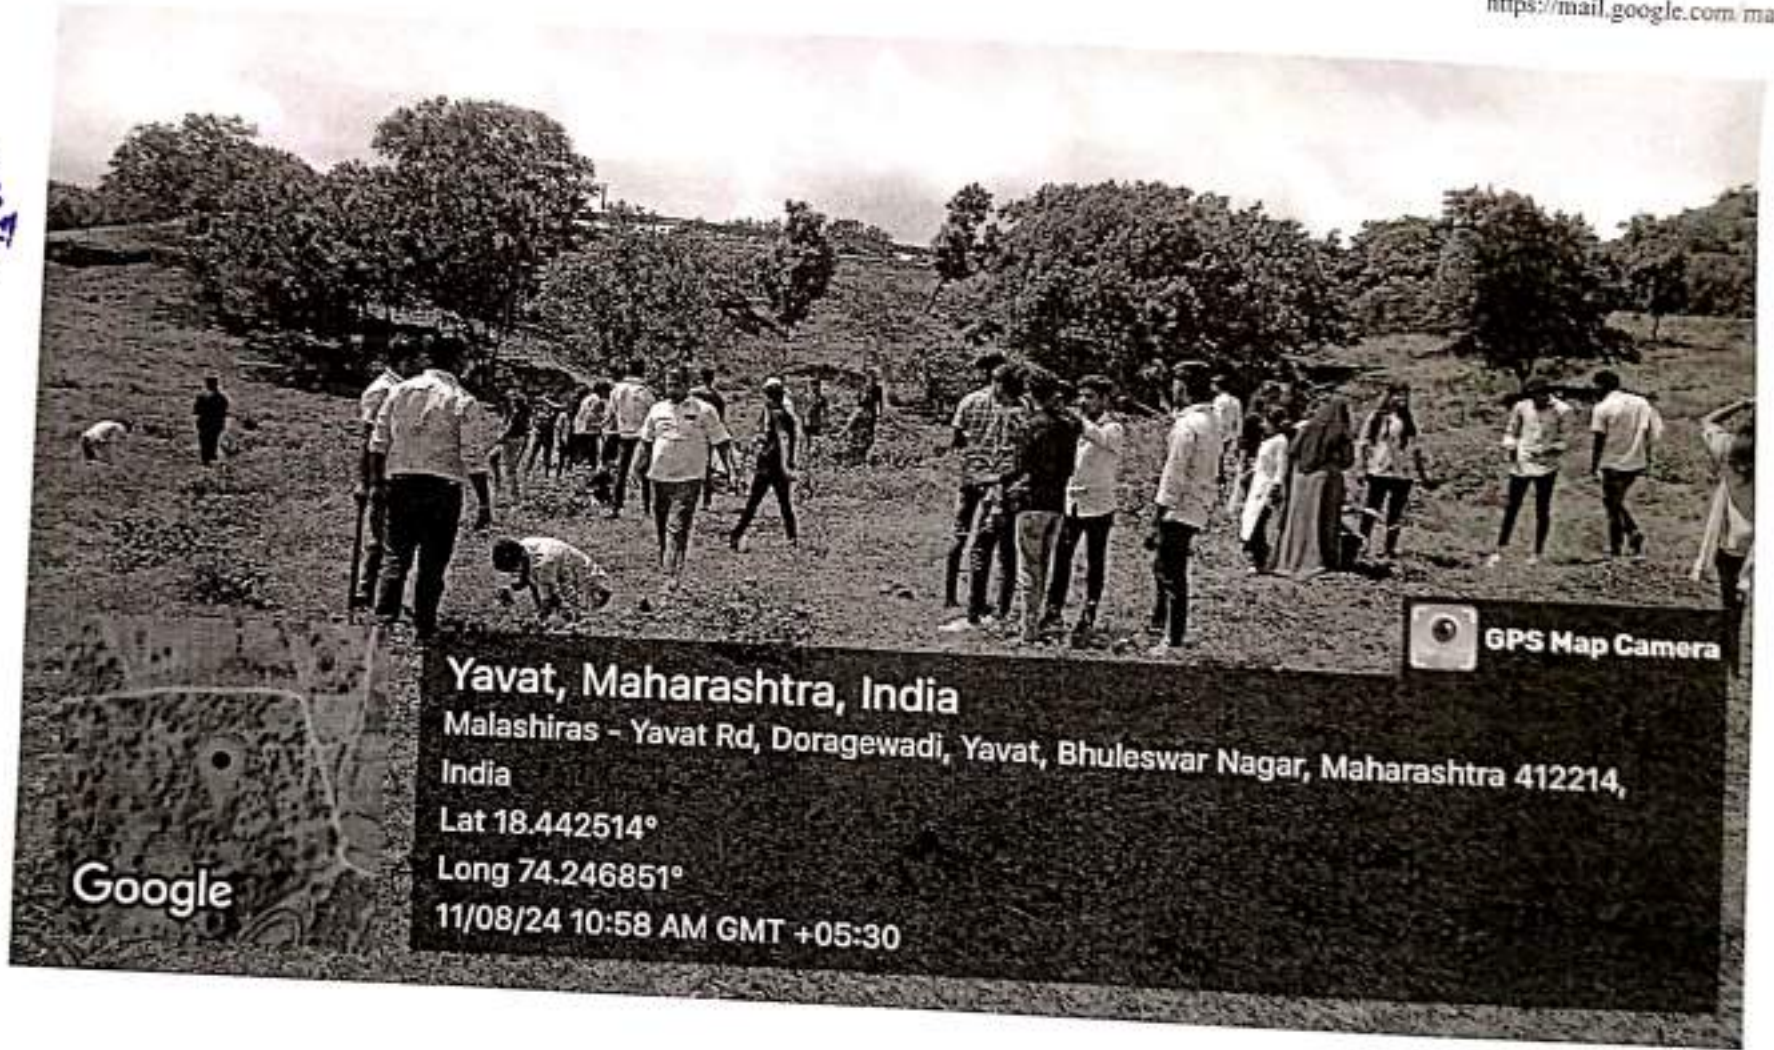

Our environment is a priceless gift of God and taking care of it is a prime duty of human being. Following huge deforestation and industrialization, there is an intense need to replenish the greener loss. Keeping this noble cause in mind, Alumni association put a step ahead and organized large scale tree plantation campaign in college.

The basic target was to plant more than one thousand trees in the environment. The entire Alumni Association team, without fearing rain and wind, worked day and night to take up the task. Moreover, prior to plantation program, a survey was conducted by Alumni Association team in nearby villages, like Undawadi, Bhuleshwar Area etc. asking information about which plants people will like to grow in their gardens. Alumni association members went door to door for doing this survey. Medicinal, fruiting and flowering plants were distributed in the entire locality to their doors steps completely free of cost.

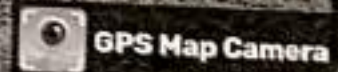

Furthermore, fruiting trees were planted in forest of nearby villages so that constantly depleting wild life will get natural source of food in the form of fruits and flowers. With god's grace the trees are blooming and soon will be a source of food for the wild life. Aah! What a great ideology. The event was solely managed by Dynamic Alumni Association team.

1. Blood Donation Camp,
2. Free Medical and eye test camp,
3. Training sessions for fresher graduates to introduce them to industry sector,
4. Social awareness programs to prevent increasing Suicides, drugs and Alcohol.
